proctur®

Simplifying Education Management

BUSINESS PROPOSAL

For

BADAM SINGH Classes

Proctur's Institute ERP Software offers a comprehensive platform that simplifies and automates all key administrative tasks. From Admission Enquiry, Student records, Fee management to Exam results, our system is designed to streamline processes and improve operational efficiency.

Solution Overview: ERP for BADAM SINGH Classes

ERP system that will help streamline the operations of BADAM SINGH Classes. We are pleased to propose **Subscription-Based** option, designed to manage and enhance Institute activities.

Key Features of Proctur ERP

- **Student Management:** Centralized database for student admissions, attendance, and profiles.
- **Fee Management:** Automated fee collection, invoice generation, and payment reminders.
- **Lead & Enquiry Management:** Track, manage, and follow up with all enquiries efficiently.
- **Communication Module:** Automated SMS/Email alerts to parents for attendance, fees, and important updates.
- **Reporting:** Real-time reports on student performance, attendance, enquiries, and financials.

Why Proctur ERP?

- Cost-Effective: Designed to fit various Institutes sizes and requirements.
- Cloud-Based Access: Anytime, anywhere access with automatic backups.
- Support: 24/7 dedicated support and training for your staff.
